DR. S. P. TOWNSEND'S

COMPOUND EXTRACT OF

SARSAPARILLA.

Wonder and Blessing of the Age.

The most Extraordinary Medicine in the World.

This Extract is put up in Quart Bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures without vomiting, purging, sickening or debilitating the Patient.

The great beauty and superiority of this Sarsaparilla over all other medicines is, that while it eradicates the disease, it invigorates the body. It is one of the very best

SPRING AND SUMMER MEDICINES

Ever known; it not only purifies the whole system, and strengthens the person, but it creates new, pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the last five years, more than 100,000 cures of severe cases of disease; at least 15,000 were considered incurable. It has saved the lives of more than 5,000 children during the two past seasons.

10,000 Cases of General Debility and want of Nervous Energy.

Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the effects of medicinal indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening towards that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any

Invigorating Cordial,

As it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.

Consumption Cured.

Cleanse and Strengthen. Consumption can be cured. Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs, Asthma, Spitting of Blood Soreness in the Chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c., have been and can be cured.

SPITTING BLOOD.

NEW YORK, April 28, 1847.

Dr. Townsend—I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad Cough. It became worse and worse. At last I raised large quantities of blood, had night Sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has a wonderful change been wrought in me. I am now able to walk all over the city. I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results.

Your obedient servant,

WM. RUSSELL, 65 Catherine st.

Rheumatism.

This is only one of more than four thousand cases of Rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly eradicated by its extraordinary virtues.

James Cummings, Esq., one of the assistants in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the following letter:

BLACKWELL'S ISLAND, Sept 14, 1847.

Dr. Townsend—Dear Sir: I have suffered terribly for nine years with the Rheumatism; considerable of the time I could not eat, sleep or walk. I had the utmost distressing pains, and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla, and they have done me more than one thousand dollars worth of good. I am so much better—indeed, I am entirely relieved. You are at liberty to use this for the benefit of the afflicted.

Yours, respectfully,

JAMES CUMMINGS.

Female Medicine.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barrenness, Prolapsus Uteri, or Falling of the Womb, Costiveness, Piles, Leucorrhoea, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of Barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us. Thousands of cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with fine, healthy offspring.

To Mothers and Married Ladies.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose that she is approaching that critical period, "THE TURN OF LIFE," should neglect to take it, as it is a certain preventive for any or the numerous and horrible diseases to which females are subject at this time of life. This period MAY BE DELAYED FOR SEVERAL YEARS BY USING THIS MEDICINE. Nor is it less valuable for those who are approaching womanhood, as it is calculated to assist nature, by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all the delicate diseases to which women are subject.

It braces the whole system, renews permanently the natural energies, by removing the impurities of the body, not so far stimulating as to produce subsequent relaxation, which is the case of most medicines taken for female weakness and disease. By using a few bottles of this medicine, many severe and painful surgical operations may be prevented.

Great Blessing to Mothers and Children.

It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon child-birth ever discovered. It strengthens both the mother and child, prevents pain and disease, increases and enriches the food. Those who have used it think it is indispensable. It is highly useful both before and after confinement, as it prevents diseases attendant upon childbirth—in Constiveness, Piles, Cramps, Swelling of the Feet, Despondency, Heartburn, Vomiting, Pain in the Back and Loins, Face Pains, Hemorrhage, and in regulating the secretions and equalizing the circulation it has no equal. The great beauty of this medicine is, it is always safe, and the most delicate use it most successfully—very few cases require any other medicine. In some a little Castor Oil, or Magnesia is useful. Exercise in the open air, and light food with this medicine, will always ensure a safe and easy confinement.

Notice to Ladies.

Those that imitate Dr. Townsend's Sarsaparilla, have invariably called their stuff a GREAT REMEDY FOR FEMALES, &c., &c., and have copied our bills and circulars which relate to the complaints of women, word for word—other men who put up medicine, have, since the great success of Dr. Townsend's Sarsaparilla, in complaints incident to females, recommended theirs, although previously they did not. A number of these Mixtures, Pills, &c., are injurious to females, as they aggravate disease, and undermine the constitution.

Scrofula Cured.

This certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate diseases of the blood. Three persons cured in one house is unprecedented.

Three Children.

Dr. TOWNSEND—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores; have taken only four bottles; it took them away, for which I feel myself under great obligation.

Yours respectfully, ISAAC W. CHAIN, 106 Worcester st.

Opinion of Physicians.

Dr. Townsend is almost daily receiving orders from Physicians in different parts of the Union.

This is to certify that we, the undersigned, Physicians of the city of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations in the market.

CAUTION.

Owing to the great success and immense sale of Dr. Townsend's Sarsaparilla, a number of men, one is called Old Dr. Jacob Townsend's, purchase none but that signed, S. P. Townsend—have commenced making Sarsaparilla Extracts, Elixirs, Bitters, Extracts of Yellow Dock, &c. They generally put it up in the same shaped bottles, and some of them have stole and copied our advertisements. They are only worthless imitations, and should be avoided.

SUCCESSOR TO ANDREW OAKES
TO THE PUBLIC

The compilers of the Brooklyn Directory for 1849—'50, present to the public the result of their labor. They have furnished the citizens of Brooklyn with a Directory annually for a long period, and flatter themselves that the present copy will give satisfaction to all.

They have spared neither pains nor expense to obtain the name of every housekeeper and permanent boarder in the City of Brooklyn. They have encountered many difficulties in procuring names correctly, owing to mispronunciation or misspelling on the part of those who answer the canvasser at the door. They have, however, taken extra pains to avoid the evil this year, as far as possible, and have succeeded beyond their expectations.

The Directory of 1849—50, has many important additions, which will be found of interest to the citizens of Brooklyn and vicinity, and they commend it to the public generally. It is offered at the low price of \$1 per copy, notwithstanding a large increase of names, statistics, &c., have been made.

SCHOOL DISTRICTS.

The City originally constituted one school district, but as the same increased the old district has been divided and sub-divided, and there are now *thirteen* school districts within the city limits: viz:

No. 1 Comprises that portion of the 4th Ward bounded by Fulton street on the west, Sands street on the north, Bridge street on the east, and Myrtle avenue on the south.

No. 2. That portion of the 8th Ward lying south-westerly of the centre of 27th street.

No. 3. All that part of the 9th and 7th Wards contained within the following boundaries, viz: On the south by De Kalb avenue, on the west by Grand avenue as far south as Atlantic avenue, running thence along Atlantic avenue westerly to Washington avenue, thence southerly along Washington avenue to Baltic street, thence easterly along Baltic street to the old Clove road, and thence southerly along the road to the City line, and thence along the line of the north-easterly boundary of the City to De Kalb avenue aforesaid.

No. 4. That part of the 7th and 9th Wards bounded as follows, viz: on the north-easterly side by the City line between Brooklyn and Williamsburgh, on the west by the Wallabout Bay and Washington avenue as far south as Myrtle avenue, thence easterly along Myrtle avenue to Grand avenue, thence southerly along Grand avenue to De Kalb avenue and easterly along De Kalb avenue to the City line.

No. 5. Being a portion of the 4th, 5th and 7th Wards, viz: commencing at the corner of Sands and Bridge streets, thence southerly along Bridge street to Myrtle avenue, thence westerly along Myrtle avenue to Fulton street, thence south-easterly along Fulton street and the old road to Canton street, thence northerly along Canton and Park streets to Flushing avenue, thence westerly along Flushing avenue to Navy street, thence northerly along Navy street to Sands street, and thence along Sands street to the place of beginning.

No 6. All that part of the 6th Ward lying east of Court street.

No 7. Bounded by Fulton and Sands streets, the Navy Yard and the East River, being the entire 2d Ward and that part of the 5th Ward not included in No. 5.

No 8. The 1st and 3d Wards entire.

No. 9. Commencing at the corner of the turnpike and the old Port road, thence along said road to the 5th avenue, thence north-easterly along the 5th avenue to Atlantic avenue, and easterly along Atlantic avenue to Washington avenue, thence southerly along Washington avenue to Baltic street, and easterly along Baltic street to the Clove

road, and southerly along the Clove road to the City line, thence along the same to the place of beginning.

No. 10. The part of the 8th Ward situate south-westerly of the old Port road, and north-easterly of 27th street.

No. 11. Commences at the corner of Atlantic and Grand avenues, thence northerly along Grand avenue to Myrtle avenue thence westerly along Myrtle avenue to Washington avenue, thence along Washington avenue to De Kalb avenue, thence westerly along De Kalb avenue to Canton street, thence southerly along Canton street to Atlantic avenue, and along said avenue to the place of beginning.

No. 12 That part of the 7th Ward bounded northerly by the Wallabout Bay, southerly by De Kalb avenue, easterly by Washington avenue, and westerly by Park and Canton streets.

No. 13. All that portion of the 6th Ward situate west of Court street.

District for Colored Children.—The whole City constitutes one district for colored children.

The Public Schools are entirely Free to all children residing within the respective districts in which the schools are located.

District Libraries.—Each district contains a valuable district library, the use of the books being free to all the inhabitants of the district, both male or female; in the larger districts the libraries number between three and four thousand volumes each.

THE BROOKLYN STREET DIRECTORY.

OR,
GUIDE FOR 1849 & 50.

SHOWING THE COMMENCEMENT, POSITION, AND TERMINATION OF EACH STREET, WITH THE JUNCTIONS AND CROSSINGS OF THE INTERSECTING STREETS, ALSO THE NUMBER OF THE HOUSE AT THE CORNER OF EACH OF THE STREETS.

Where there is no house on the corner, or where the corner house fronts on the crossing street, the number of the house nearest the corner is given. It must be observed that in a considerable portion of the streets, the houses are entirely unnumbered. In those streets the Alphabetical Directory directs you to which of the crossing streets the house you are looking for is nearest situated.

For the information of strangers it may be necessary to add, that the odd numbers are invariably on the left hand from the commencement of each street.
